WHY ETHOS PLATFORM?

Unified Vocabulary
Application and platform-agnostic

Open Standards
Built on JSON and REST

Together with Ethos Integration = One-to-Many
No more point-to-point integrations

**Single Source of Truth**
Unified view of the student

Thank you.

CHRIS FONTENOT
Solutions Consultant

alexa-via-ethos-example

An Amazon Alexa personal assistant example that leverages the Ellucian Ethos Integration component to deliver real-time data to this student-use skill. The skill provides Colleges and Universities a quick start example of how a voice-enable skill could be constructed to help their students and staff interact with the institution using only their...
